Sir,

With reference to your letter No. L. 5537/L.B. 109-30-8 dated 10-2-1932 regarding the discontinuance of the payment by the District Board of a sum of Rs 500/- annually to the Town Municipal Council, Tumkur towards the maintenance charges of the District Fund roads lying within the limits of the Municipality, I have the honour to state that on referring to the previous correspondence on the subject it is seen that the resolution of the Board agreeing to the proposal of the Joint Committee to pay a lumpsum grant of Rs 500/- is dated 22-12-1925 which was long before the passing of the District Board Regulation of 1926.

The subject was however placed before the Board at their meeting held on 13-5-1932 and after careful consideration they have resolved that the discontinuance of the grant to the Tumkur Municipality is quite in order and that no grant be paid by the Board to the Tumkur Municipality as it is against the Regulation. A copy of the resolution of the Board is enclosed for perusal.

Correspondence ending with the General Secretary's letter No. 5537 dated 10-2-1932 calling for the views of the Board regarding the payment of a contribution of Rs 500/- to the Tumkur Municipality for the up-keep of District Fund roads lying within the Tumkur Municipal limits which was fixed by Government in March 1928 as a result of a compromise effected by the bodies.

Resolution:- As per section 44 of the District Board Regulation, the District Board is not bound to maintain the roads that lie within the Municipal limits out of the funds of the District Board. For similar reason, the Government have disallowed similar provision made by the Mysore District Board. (Para 10 of Government Order No. L. 1191-7/L.B. 212-26-18 dated 9-8-1927). The Municipal Council has been getting the grant from the District Board from a long time and has entered into other commitments on the assurance of this annual income.
